Vita

Seraina Schaufelberger is a member of the bratschi Business Immigration Team. As a Global Mobility Expert, her focus lies on migration and labour law. Companies today are more global than ever before, which is also reflected in the increasing mobility of their employees. In particular, Seraina Schaufelberger supports and advises international companies and their employees on their global mobility needs and ensures a smooth process for international assignments and transfers of qualified specialists. In addition, Seraina Schaufelberger is a member of the bratschi data protection team and provides her expertise in data protection matters.
